

# BENEFIT EXPLOIT NO MORE AT "OUT OF THE NEST!"

"Human trafficking is often perceived as a problem that only happens overseas. The reality is that it happens here in the United States. It happens in every Wisconsin county. It happens in our backyard of Milwaukee. 79% of human trafficking cases in Wisconsin occur in Milwaukee. 92% of the Milwaukee cases involve female youth...

Exploit No More is dedicated to ending child sex trafficking in the Greater Milwaukee region. ENM works with private, public, and other non-profit community organizations dedicated to serving youth and eradicating child sex trafficking.

Motivated by the love of Jesus, Exploit No More's mission is to dismantle the local sex trade of children using three key approaches: AWARENESS, ADVOCACY, & AFTERCARE."
